Re: **NYACK SCHOOL DISTRICT AND THE NYACK TEACHERS ASSOCIATION
REACH A CONTRACT SETTLEMENT**

Date: March 11, 2010

From: Gail Fleur, Public Information

The Nyack School Board and the Nyack Teachers Association have approved a new contract effective July 1, 2009 through June 30, 2013, ending a year-long negotiations' process.

“In these very difficult times all parties have recognized their mutual responsibility to educate all students to their optimal potential and to exhibit fiscal restraint. This contract does both,” says Superintendent of Schools Dr. Valencia Douglas.

Demonstrating fiscal responsibility is the following salary schedule:

2009-10 – **no increase** on members' base salary.

2010-11 – 1.5% above the base salary set forth in the 2008-09 salary schedule

2011-12 - 1.75% above the base salary set forth in the 2010-11 salary schedule.

2012-13 - 1.9% above the base salary set forth in the 2011-12 salary schedule.

Says Nyack Teachers' Association President, Donna Ramundo, “The NTA went into these negotiations with three goals: an agreement that was fair to students, taxpayers and teachers. Our negotiating teams, through collaboration, arrived at a fair deal. Now it is back to business where our main focus is and has always been providing quality educational programs, which assist our students in striving for excellence.”
