Re: **EMERGENCY PREPAREDNESS:
LOCKDOWN DRILL IN ALL SCHOOLS**

Today we continued our emergency preparedness activities with an unannounced lockdown drill at all the buildings. A lockdown entails all classroom and building doors being locked and specific procedures being carried out throughout the building.

The drill proceeded smoothly with cooperation from students, staff and administrators. We will be reviewing the details of the process and making modifications where needed.

The District plans to schedule more drills throughout the year as we continue to work to protect our students and staff in an emergency situation.
