The Standards and Assessments Grant Proposal Supporting Best Practices

Respond to the following questions in a narrative format,
no more than two (2) typed pages long, double-spaced,
and submit it with the application form.

Statement of Need: Describe clearly why this project is needed and how the need was identified. Describe the project's overall focus/purpose as it relates to the New York State Learning Standards and/or Assessments.

Standards: Identify the NYS Learning Standards that will be addressed through this project. Be specific.

Anticipated Outcomes: Describe the student and teacher outcomes that you expect to achieve as a result of this project.

Procedures: Describe the project and how you intend to implement it. Include a timetable of activities.

Evaluation: How will you evaluate the effectiveness of this project? What evidence will you gather to determine whether or not the teacher and student outcomes you expected to achieve have, in fact, been achieved?

Budget: Describe the anticipated expenses in detail. Proposed expenditures may include teacher stipends for curriculum development, materials and supplies. Funding may not be used exclusively for attendance at conferences, outside consultants, transportation for field trips or excursions, text or trade books, or equipment.
